

IT'S ORANGE, IT'S BUBBLY, IT GIVES YOU THAT EXTRA BOOST

WHY EBOOST: EBOOST is a daily health booster made from natural ingredients. Its proprietary blend of vitamins and minerals activates the 4 vital elements of performance: ENERGY, IMMUNITY, RECOVERY, and FOCUS.

EBOOST is the next step in nutritional supplement evolution. For anybody who is concerned about wellness, EBOOST is a natural way to stay at peak performance. EBOOST is specially formulated for those who wish to operate at full capacity despite busy lifestyles and demanding schedules. This includes businesspeople, jet set travelers, students, moms, fitness buffs, investment bankers, professional athletes, party animals, super-models, graphic designers, railroad tycoons, and many many others.

- HOW IT WORKS:** EBOOST's active ingredients include:
- For ENERGY: Green tea extract (a source of natural caffeine), glucuronolactone, Vitamin B-12
 - For IMMUNITY: Vitamin C, zinc, selenium, copper, astragalus, and grape seed extract
 - For RECOVERY: Minerals (including potassium and sodium for electrolyte replenishment) and essential vitamins (including C)
 - For FOCUS: Vitamin B-12, green tea extract, huperzine, 5-HTP, vinpocetine

EBOOST is orange-flavored, and comes in powder and tablet form. When mixed with water, it becomes an effervescent health supplement. An effervescent like EBOOST is a great delivery system to ensure complete and quick disintegration of all active ingredients into one's system. Because all of the active ingredients in EBOOST are completely soluble, those who take it can be certain they will receive all of its benefits..

WHERE IT'S SOLD: EBOOST can be purchased at its newly launched online store at eboost.com. EBOOST also has ongoing partnerships with high-end hotels such as W Hotels, the Venetian, Morgans Hotel Group, the Gansevoort, and many more. And EBOOST can be found at the finest retail channels in the fashion, fitness, beauty, and travel categories, including Ricky's Beauty Store, Flight 001, Equinox Gyms, Scoop Clothing, Planet Beach, and more.
